

Module 6 Learning Objectives and Discussion Questions

EFFECTIVE RESPONSES TO HUMAN TRAFFICKING

LEARNING OBJECTIVES

1. Survey a range of responses to human trafficking
2. Explore the ways students can address human trafficking in their own lives.
3. Explore the response of the Catholic Church and other faith-based organizations and what more could be done.

DISCUSSION QUESTIONS

1. What are some projects or movements against human trafficking? What questions do you have about their impact?
2. Do you think more resources should be spent on prosecution, protection, prevention, or partnerships (the 4P approach)? Defend your position.
3. Exploring the 4th P, partnership: what roles do you think different actors/groups should play in combating human trafficking—the government, non-governmental organizations, international organizations, religious groups, business, and others? What collaborations or partnerships among these actors would be most impactful?
4. What is your own response to human trafficking, today, over the next year, and longer term?
5. What makes a Catholic response to human trafficking distinct? Why are Catholic and other faith-based responses necessary?
